## A smarter toilet?

The art of seeking the very best that life has to offer is reaching new heights this spring as Kohler Co., a global leader in kitchen and bath design and technology, has upped the ante of maintaining a sophisticated lifestyle with the debut of the Numi toilet with bidet functionality. With Numi's standards of excellence and performance, high levels of personal technology and forward-looking design, this WaterSense and CALGreen-certified "smart toilet" is truly the ultimate flushing experience. It features an interactive LCD touch-screen interface, built-in personalized bidet functionality and deodorizer, innovative dual-flush technology with .6 and 1.28 gallons per flush, intuitive auto-open and -close lid, built-in music system and heated seat and foot warmer.
